READY. SET. FOAM.

OPEN-CELL

No more waiting for your open cell foam to mix prior to spraying. Sealection NM is ready to spray when you are. We know jobsite time is crucial and losing time on mixing is money lost. Changeovers and faster setup add to a more efficient job with less hassle or room for error.

- ⬡ **No mixing enables quicker changeovers and faster setup times**
- ⬡ **Cuts Energy bills by up to 50%***
- ⬡ **Reduces dust and allergens**
- ⬡ **Does not deteriorate or decompose**
