YOUR HOME BUILT TO THE HIGHEST STANDARD

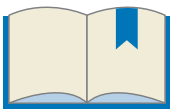

Featuring CertaSpray® spray foam insulation, installed by a C3 installer

CertaTeed
SAINT-GOBAIN

Enjoy all the comforts of home.
Insulated to the high standards of a C3 installer.

Building a home is an exciting process. When it's complete, nothing welcomes you more than the assurance of a quality build. That's why we use CertainTeed CertaSpray® spray foam insulation, installed only by **CertainTeed Credentialed Contractors™ (C3)**.

TRAINED, QUALIFIED INSTALLERS

C3 installers are rigorously trained to deliver the highest standard of insulation quality, so you can enjoy a lifetime of comfort and savings.

REPUTABLE PROFESSIONALS

As leaders in the insulation business, C3 installers have demonstrated their commitment to meet the industry's best practices.

FOCUSED ON SAFETY

C3 contractors must also have a documented ongoing safety program, so you can rest assured they are going to do the job right.

“Knowing how well sealed [our home] is,
and all the contractor did with the installation,
it's a dream come true.”

Homeowners, *Allison and Craig Pohl*

ENERGY EFFICIENCY

PEACE OF MIND

SUPERIOR COMFORT

EXCELLENT SOUND CONTROL

Enhance the life of your home with CertaSpray® spray foam insulation.

A well-sealed home is a better performing home. With CertaSpray spray foam insulation, you get best-in-class performance, manufactured by a name you trust for delivering the highest quality building products — CertainTeed.

CertaSpray provides superior thermal efficiency, enhancing the comfort, energy-efficiency and structural integrity of your new home. It also provides an effective air seal, which reduces energy loss and improves indoor air quality. CertaSpray helps meet the requirements for an ENERGY STAR® home — an added assurance of energy savings that can boost your home's resale value, too.
